Magalupay SCFI – Authorization from the Central Bank and new opportunities for financial products and services from Magalubank

Expanding the offer of financial products and services, making them even more:

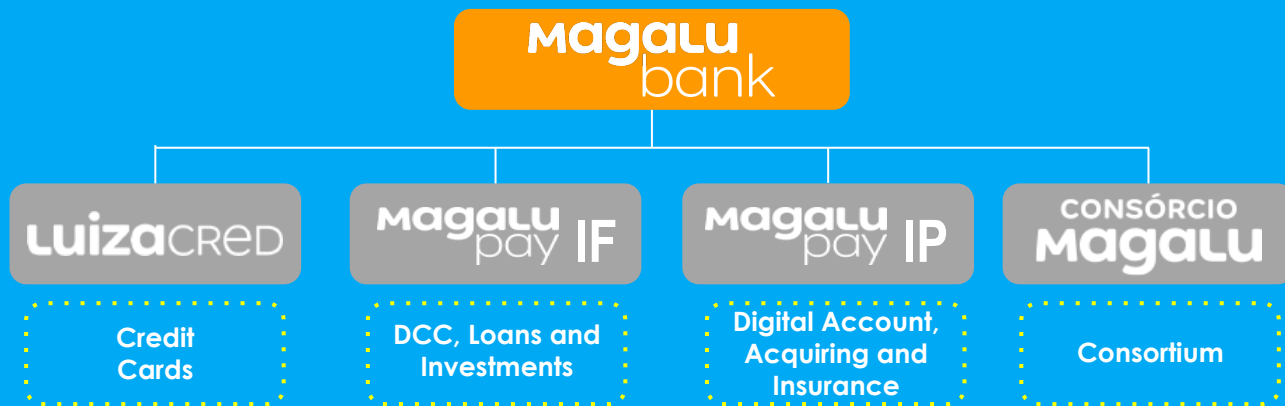

+ Efficient

+ Transparent

+ Profitable

The new financial institution complements the structure of Magalubank:

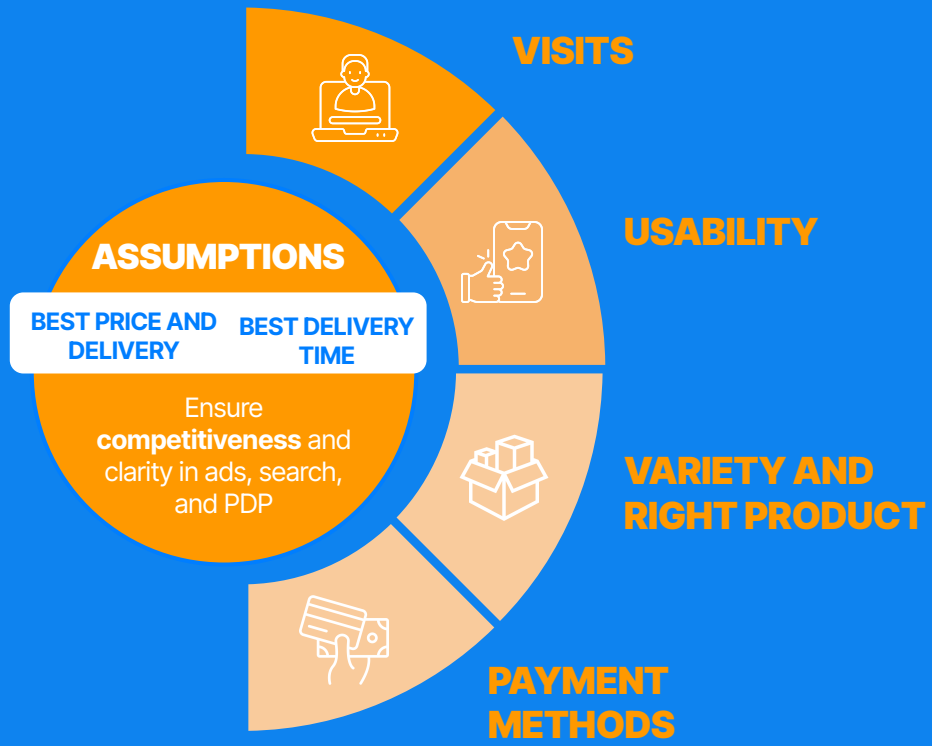

And it will offer investment options for customers and additional funding sources, reducing the cost of funding

2025: Convert Magalu

MAIN FRONTLINES OF THE CONVERSION

In addition to the **competitive product price, shipping, and the best delivery time, visits, usability, product variety, and credit conditions** are also crucial for **increasing conversion**

Organizational restructuring: accelerate digital evolution, increase sales conversion, and strengthen the digitalization of Brazilian retail

Andre Fatala takes on unified leadership of **Marketplace, Marketing, Ads, Technology, and Cloud**, consolidating strategic areas for innovation and AI-driven automation.

Integration of technology and business, accelerating digitalization and enhancing services for **partners and sellers**.

Structure strengthens **sustainable growth** and the development of a robust digital infrastructure.

Magalu now operates with two strategic vice presidencies:

Plataform VP
André Fatala

Physical Stores, Retail and Logistics VP
Fabrício Garcia

To further strengthen the Platform VP and drive the growth of 3P, we are announcing the arrival of:

Marketplace Executive Director
Ricardo Garrido

Growth Director
Marielle Paiva
